

Our consultations are  
confidential and free of charge.

We do nothing without  
your consent.

We support you also if  
you do not have valid  
residence documents.

We advise you in your  
native language or with the help  
of translators.

### **FIZ supports victims of trafficking in human beings (women, trans people, men) in Switzerland**

False promises, threats, coercion, violence or exploitation in the sex trade or other workplaces are characteristics of trafficking in human beings. Trafficking in human beings is a criminal offence. As a victim, you have rights regardless of your origin or residence status.

We offer advice, protection and accommodation.

 WhatsApp: +41 (0)76 596 15 63

### **Counseling for migrant women in the Canton of Zurich**

We advise migrant women

- in case of violence or exploitation,
- concerning problems with residence permits,
- in questions about work - in the sex trade or in private households.

We inform you about your rights and support you in your search for sustainable solutions.
